ABOUT OUR COUNCIL

Since 1990, our council has been supporting our community in a variety of ways. Named after the parish we are based out of, many of our Knights are actively involved with the parish. Our members take leadership roles in the community by carrying out God's work and setting an example through volunteering, fundraising and other works of mercy and charity to support those in need.

THIS YEAR'S FUNDRAISER

Charity is just one core principle of the Knights of Columbus. Examples of how we carry out this principle are by replenishing food pantries, supporting culture of life initiatives, volunteering within the community and supporting organizations like JMJ Pregnancy Center, Special Olympics, Society of St. Vincent de Paul, Russell Home, BETA Center, St. Isaac Jogues Church and Eastern Baptist Children's Home. This year, St. Isaac's parish had many needs arise including a new roof on the main church building, new media equipment that brings our services to those who cannot attend and increased needs for the food pantry for the hungry in our area. COVID-19 hindered support stemming from necessary safety measures. Our goal is to help support these needs.

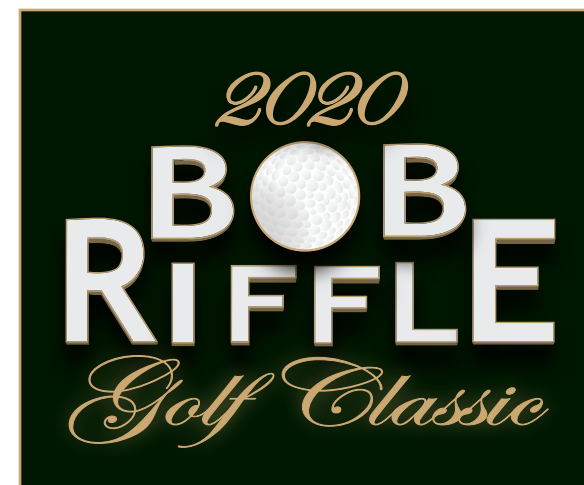

THANK YOU!!!

The Knights would like to thank everyone who participated and helped in our "Fore the Little Ones" campaign last year.

Since 2009, we raised over \$39,000 from this golf event for charity projects in our community. Thank you!
